Filing Date Granted

An application number and filing date have been accorded to this application. The item(s) indicated below, however, are missing. Applicant is given **TWO MONTHS** from the date of this Notice within which to file all required items and pay any fees required below to avoid abandonment. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a).

- The application was filed in a language other than English. Applicant is required to provide an English translation of the specification and a statement that the translation is accurate. (See 37 CFR 1.52(d)).
- Applicant must file an English translation of the application, the \$ 130 fee set forth in 37 CFR 1.17(i), unless previously submitted, and a statement that the translation is accurate (37 CFR 1.52(d)).

**RESPONSE TO NOTICE TO FILE MISSING PARTS
WITH TRANSLATION**

Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

A Response to Notice to File Missing Parts mailed April 10, 2002 was filed on April 22, 2002. That Response included an English-language translation of the Japanese language application originally filed in the U.S. Patent and Trademark Office on February 12, 2002. It has now been determined that the April 22 translation was not a literal translation because it included editorial changes and/or corrections to the originally filed Japanese language application.

In further response to the Notice to File Missing Parts of Application - Filing Date Granted (copy attached) mailed on April 10, 2002, submitted herewith is a new, accurate translation of the application. A Preliminary Amendment is also attached to make editorial changes and/or corrections to the originally filed Japanese language application. The Preliminary Amendment presents a substitute specification and a marked-up copy of the new accurate translation to show the changes and/or correction that have been entered into the substitute specification. No new matter has been added.
